## PEAK ENGINE PERFORMANCE

Custom Fuel Injection and Electronic Controls  
JP8 • Diesel • Gasoline • Gaseous

### Introducing the new S-TEC Sockeye™ engine controller, with Closed-Loop Combustion Control

- Need to optimize the combustion of JP8 or JP8/diesel blends? ..... S-TEC Sockeye™
- Need unique condition-based maintenance algorithms? ..... S-TEC Sockeye™
- Need a flight-weight engine controller for UAVs/UGVs? ..... S-TEC Featherfin™
- Need 3000 bar fuel injectors with unique spray patterns? ..... Sturman G2/D1/D2
- Need small fuel injectors for flight-weight engines? ..... Sturman NI
- Need fuel system application work on a dynamometer? ..... Sturman Industries
